Team Managers & Program Administrators:

We are pleased to announce our new **Clothes4Cash.net – 2020 Clothing Drive Fundraising Campaign**, designed to help youth sports and organizations fund their programs and activities. The clothing drive fundraiser is designed for schools, youth sports, arts programs, educational outlets and social organizations that have a need to raise funds for its yearly activities. Activities that typically require funding trips, transportation, housing, meals, uniforms, costumes, entry fees, awards, banquets and snacks.

If your team, school or youth program can use a few extra dollars to cover program expenses, don't miss out on a chance to rally your families to clean out their closets and donate old, used clothing for a good purpose. This is an easy, stress-free fundraiser giving families an opportunity to do some much needed closet cleaning, to make room for the new 2019 spring, summer and fall wardrobes. At some point, everyone needs to clean out closets and get rid of those outdated, out-sized and out-worn clothing. Why not de-clutter, recycle and donate to support a local organization?

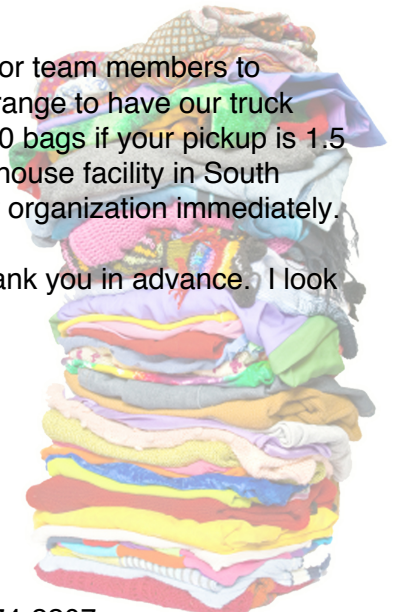

On average, approximately 20-50 pieces of clothing items can be put in a *large* size trash bag. We currently pay **.25¢ per lbs.** (pick-up only) and **.30 per lbs.** (drop-off only) for clothing, pairs of shoes, purses/backpacks and linen; towels, sheets, blankets etc. Please note, all bags of clothing, shoes and linen will be weighed and credited. Items need to be in good condition and usable by someone else. The earnings can be substantial for a group fundraiser with very little effort. **Nothing to Buy! Nothing to Sell!** It's a win/win for your organization.

Call to book your **"Clothes4Cash.net" - Clothing Drive Fundraising Campaign** today. We purpose scheduling the fundraiser around an upcoming event or in conjunction with a school or community activity. Then you can encourage guest to bring bags of old clothes to donate, as an incentive for receiving a discount on admission. Another incentive would be to offer extra credit to students by collecting and donate bags of clothes.

We offer downloadable spirit color flyers to customize for your group or team members to distribute to friends, family, neighbors and congregations. We can arrange to have our truck pick-up the donations following the event with **150 bags or more** (200 bags if your pickup is 1.5 hours from Downtown LA) or you can drop-off bags at our local warehouse facility in South Gate. Once bags are weighed, a check will be cut and mailed to your organization immediately.

If you have additional questions, please feel free to call or email. Thank you in advance. I look forward to working with you soon.
